Dress Block

Block of the Month— 10 1/2" (unfinished)

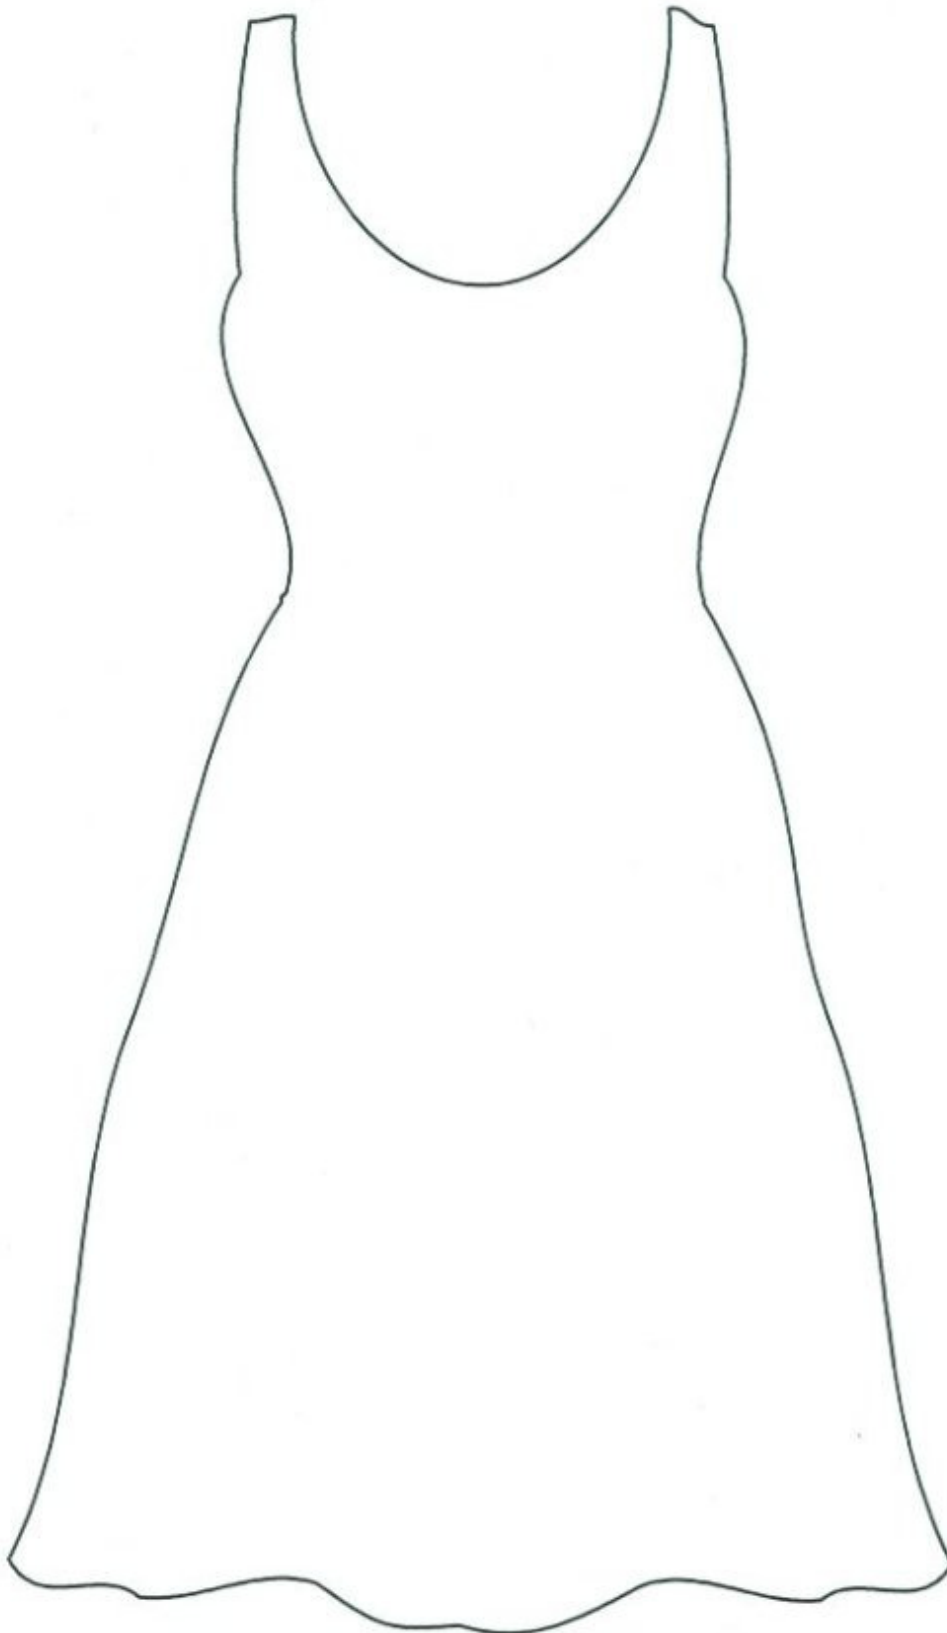

A Day at the Races

This dress block is a fun appliqué block to complete. Use your preferred appliqué technique remembering that the pattern has no seam allowances added.

Background fabric is a 10 1/2" square in tone on tone neutrals. Please make your dress using a red fabric.

You may decide to leave the dress plain or you may decide to enter into the fashion show at race day. If that is your choice then have fun embellishing your outfit.

There is plenty of room for adding a hat, shoes, bag etc to you outfit!

Return your block next month to be in the draw for another lucky winner!
