

Sunday Quilting Friends BOM

Easter Bunny Basket
Block of the Month - 10 inch (unfinished)

This Easter bunny basket block is very cute. You can use any appliqué technique you like. The pattern has no seam allowances added, so remember to add these if you are going to be turning your edges under.

The completed blocks would look fabulous made up into a cot quilt, child's bed quilt or as a lap quilt. You choose!

Background: Any small floral in spring colors 10" x 10"

If you just can't decide which fabrics to choose then have fun making several blocks!
