### **Ice Cream Treats Block of the Month—10 ½" (unfinished)**

I scream. You scream. We all scream for ice-cream!

You may choose your favorite ice-cream flavor when making this Ice Cream Treats Block.

Blackberry, chocolate or maybe pistachio - and serve it in a crisp brownish waffle cone, on a vanilla/light beige background. Yum!

Cut your background fabric piece 10 ½" square, complete your appliquéd goodie using your preferred method. You will need a 5" fabric scrap for both your ice-cream choice and for your waffle cone. Embellish as you wish!

Return your block next month to be in the draw for another lucky winner!
