Kimono Block

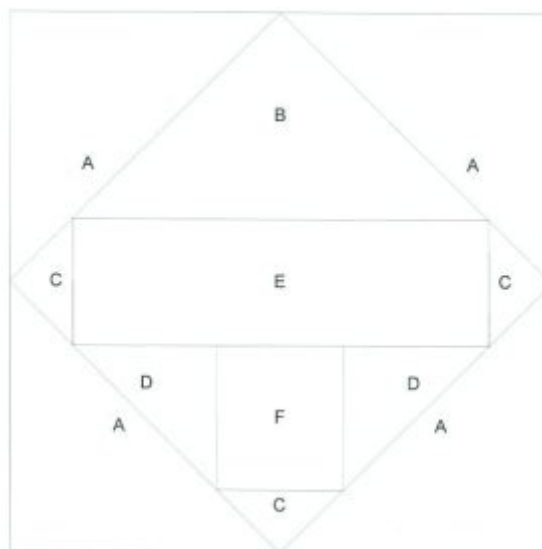

Block of the Month 8" x 8"

There are so many fabulous Asian prints on the market today I just couldn't resist having a block to use some of them in.

You will notice the templates below have no seam allowances and are for the basic block and you will need to add several extra pieces of fabric to complete the block. You can add them using your favorite appliqué method either during or after completing the block.

The pieces you need to add are: Collar (front or back), Sleeve cuffs, Sash

<u>Name</u>	<u>Shape</u>	<u>Fabric</u>
A	Triangle	Dark Neutral
B	Triangle	Light Neutral
C	Triangle	Light Neutral
D	Triangle	Light Neutral

F	Rectangle	Asian Print

Return your block next month to be in the draw for another lucky winner!
Happy Stitching!
