

Sunday Quilting Friends BOM

Romantic Reds Block

Block of the Month 8½" (unfinished)

Romantic Reds is the theme for this month.

Use any fabric with red in it.

Cut one 8 1/2" square from your background fabric. Fold in half and half again, finger press to get the center.

Cut heart out of contrasting red fabric (if background is light use a darker colored fabric for the heart - if dark use a light colored fabric).

Use steam a seam or visoflex to iron onto heart fabric, cut out shape and iron onto background.

Machine or hand stitch heart, adding a pretty touch of lace, ribbon or embroidery.

If you want to make more than one, go ahead and have fun!

Return your block next month to be in the draw for another lucky winner!

Happy Stitching!
