

Sunday Quilting Friends BOM

Four Winds

Block of the Month 12½" (unfinished)

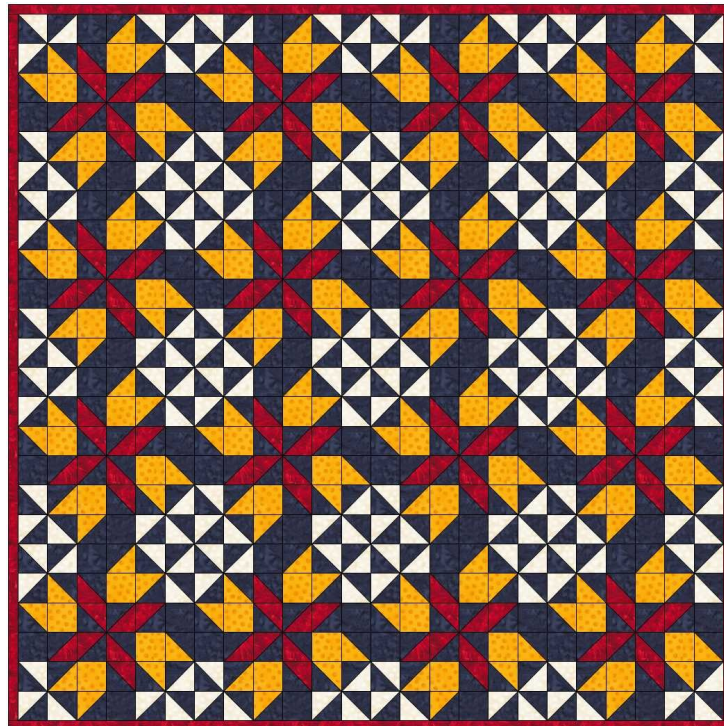

This is a Traditional Block

You will need 4 different fabrics:
Cream, navy, red and gold

To help stabilize the fabric for sewing I recommend that you starch your fabric before cutting. To reduce spray starch residue build up on your iron - starch the wrong side of the fabric and iron the right side first.

Instructions:

Rotary cutting instructions are on the reverse

Return your block next month to be in the draw for another lucky winner!
Happy Stitching!
