

Sunday Quilting Friends BOM

Snowman Block

Block of the Month - 9" block (unfinished)

Appliqué this cute snowman block using any method you want, from white fabric.

Use a 9" x 9" piece of blue fabric for the background that indicates a daytime winter sky.

Appliqué a black hat and add your own bright scarf. Feel free to either use the hat and scarf in the pattern or add your own.

You may embellish him anyway you choose - eyes, mouth, buttons, ribbon, pipe (or you can omit the pipe if your snowman is "non-smoking") etc.

You may want to make a friend for your snowman, either on the same block or as a separate block. Families also welcome!

Return your block next month to be in the draw for another lucky winner!

Happy Stitching!
