### **Summer Jandals Block**

**Block of the Month - 9" block (unfinished)**

To create this fabulous summer jandal block, appliqué these summer jandals and/or shells any way you choose to create an atmosphere of summer. Embellish them to your hearts content! Choose any two or more items from the four below and have fun! Don't hesitate to reverse them if you wish. **Background** fabric is a 9" square in a pale yellow print - spot, small flower, stripe etc, similar to sand.

Return your block next month to be in the draw for another lucky winner!  
Happy Stitching!
