

Sunday Quilting Friends BOM

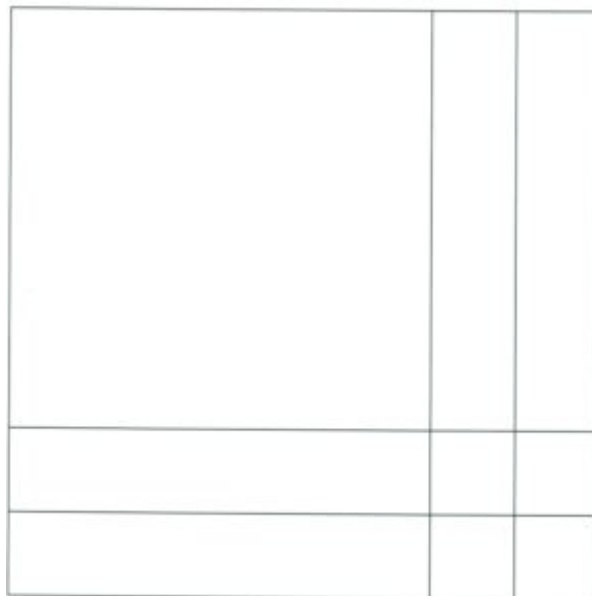

Window Block

Block of the Month 8½" (unfinished)

This block requires the use of a large print novelty fabric and two contrasting but coordinating fabrics that are either solid or have a very small print on them. One should be noticeably lighter than the other.

Instructions:

1. From large novelty print cut **one** 6 1/2" square
2. From lighter fabric cut **two** 6 1/2" x 1 1/2" rectangles and **two** 1 1/2" x 1 1/2" squares
3. From darker fabric cut **two** 6 1/2" x 1 1/2" rectangles and **two** 1 1/2" x 1 1/2" squares
4. With right sides together and using a 1/4" seam sew one lighter square and one darker square together. Press. Repeat with the other two squares. Sew these pairs together. Press.
5. Sew one lighter rectangle to one darker rectangle. Press. Repeat.
6. Referring to the layout above sew the units together into the finished block. Press. Remember to try switching the lighter and darker rectangle fabric placement next to the novelty block to see which works best.

Return your block next month to be in the draw for another lucky winner!
Happy Stitching!
